## Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The road is unnecessary because there is already an existing road linking the two car parks. It runs from Currys and behind the run of outlets all the way to Burger King and is an important link for access.

The proposed road will destroy the current pedestrianised area and create a hazard to everybody using the area

Summary..Unnecessary, Irrelevant and harmful.
