

Notes:
All dimensions are in mm unless stated otherwise

Area Calculation
Original plot area excluding the original (house+garage): 239 m²
Proposed plot area excluding the house and proposed extensions: 183 m²
Therefore area of the plot remaining after extension: $\frac{183}{239}$ = 76% which is more than 50% of the original plot.

Therefore, the design proposal is believed to meet local planning policies.
