Hi Validation Team,

A Mr David Simmons provided the below photograph to accompany the tree works application he has made today via the Planning Portal website (not SDCs website).

At the time of writing his application is not showing on Uniform, which I think is because they are only downloaded at the end of the day I believe.

Could the below photograph be added to Mr Simmons application when it arrives and is registered please?

Mr Simmons told me the number has been provided from the Planning Portal for his application is **PP-12900887**.

I have also attached a copy of the original email for ease of idoxing.

Thanks for your help.

Kind regards

Peter
