Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

The current building and site

Please note: Eligibility questions relating to the current building being vacant for 3 months, and it's floorspace not exceeding 1,500 square metres were removed after these limitations were lifted by government on 5 March 2024.

Has the use of the building, for a continuous period of at least 2 years immediately prior to the date of this application, been any of the following:

- For periods prior to 1 September 2020
- Shops (Use Class A1);
- Financial and professional services (Use Class A2);
- Food and drink (Use Class A3)
- Business (Use Class B1);
- Medical or health services
- Non-residential institutions (Use Class D1(a));
- Crèche, day nursery or day centre
- Non-residential institutions (Use Class D1(b));
- Indoor and outdoor sports
- Assembly and leisure (Use Class D2(e)), other than an indoor swimming pool or skating rink;
- For periods from 1 September 2020
- Commercial, Business and Service (Use Class E)
- Yes
- No

• In a site of special scientific interest;
 a listed building or land within its curtilage; a scheduled monument or land within its curtilage;
• a safety hazard area;
• a military explosives storage area;
Or, is the building:
• in an area of outstanding natural beauty;
• in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
• in the Broads;
• in a National Park;
• in a World Heritage Site
○Yes
⊗ No
The proposed change of use
For applications, submitted before 1 August 2022, proposing a change of use to Dwellinghouses from Offices (Use Class B1(a)/E(g)(i)). Is/Was there an Article 4 direction in place that has removed these specific permitted development rights?
○ Yes ⊙ No / Not relevant
Will all the proposed new dwellinghouses have gross internal floor areas of at least 37 square metres, and comply with the <u>nationally described</u> space standard?
⊙ Yes
○ No
Following the development, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?
⊗ Yes
○ No
Agricultural tenants
Agricultural tenants To be eligible for this permitted development right, all parties to any agricultural tenacy agreements that are currently in place need to provide consent.

Is any land covered by, or within the curtilage of, the building:

Description of Proposed Works, Impacts and Risks Proposed works Please describe the proposed development including details of any dwellinghouses and other works proposed Add kitchen and shower cubicle to the property. The property already benefits from a basic kitchen and toilet Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses There is a window in each room or potential room and lighting already available What will be the net increase in dwellinghouses? 1 This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development. Impacts and risks Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access The property is currently usable as a commercial class e property. The change of use to residential will not add any additional traffic or increased road usage to the area. The access will remain the same. The property will be altered internally to add a shower and kitchen. No gas is being added to the property. The property benefits from electricity presently. Please provide details of any contamination risks and how these will be mitigated No additional risks are foreseen Please provide details of any flooding risks and how these will be mitigated. The drainage and pipework is already in place with the present usage. No additional risk is foreseen A flood risk assessment should accompany the application where the site: • is in Flood Zones 2 or 3: or • is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online Check with your Local Planning Authority to see if your site is in an area with critical drainage problems. Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated the adjoining property is currently being used residentially. The neighbouring businesses also have residential accommodation attached as such there should not be a negative effect on occupiers in the dwelling If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated n/a If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated n/a
