- An existing use  
 Existing building works  
 An existing use, building work or activity in breach of a condition

Change of use

## Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The land is registered under Title HD412061 on 16th December 2002.

It was originally part of the paddock land at Home Farm but was not used for that purpose. It was overgrown with weeds , concrete bases and contained scrap trailers. The strip of land was about 4 mtrs in width and was the same length as the existing garden to 1 Home Farm.

The land was cleared soon after purchase to improve the visual aspect of Home Farm and was incorporated into the existing garden in 2003. At no time has any objections to this work been made.

 The use, building works or activity in breach of condition began more than 10 years before the date of this application

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
