Dear sirs/madam

SUPPORTING LETTER FOR PLANNING PERMISSION

I am writing to express my wholehearted support for Joanne and Robin Hudson's application for planning permission in relation to the erection of an extension on their property. As Joanne and Robin's social worker I have had the privilege of witnessing their dedication, compassion, and unwavering commitment to making a positive difference in the lives of children in care.

Joanne and Robin's journey as foster parents has been nothing short of inspiring. Their home has become a safe space for vulnerable children, providing not only safety and stability but also love, support, and guidance during what can often be tumultuous times. They have opened their hearts and their home to these children, creating a nurturing environment where each child feels valued, respected, and cherished.

The proposed extension to their property would not only enhance the living space for their own family but would also significantly benefit the fostering journey of Joanne and Robin. By expanding their home, they will be able to accommodate more vulnerable children in need of care, ensuring that siblings can remain together and preventing further disruption to their lives. This extension would enable Joanne and Robin to continue their invaluable work as foster parents, developing a sense of belonging and stability for children who may have experienced trauma or instability in their young lives.

In conclusion, I wholeheartedly request that you support Joanne and Robin Hudson's application for planning permission for the erection of an extension on their property. I believe that this extension will not only benefit their own family but will also enable them to continue their invaluable work as foster parents, positively impacting the lives of countless children in need.

If you require any further information please don't hesitate to contact myself, Paul Clarke, Supervising Social Worker on Paul.Clarke@FosteringSolutions.com.

Thank you for considering their application.

Sincerely,

Paul Clarke
Supervising Social Worker
