**Notes:**

- This drawing is to be read with Secondary Glazing Edge Conditions (2313-PD-3150) and Window Schedule (2313-PD-5100)

- Window edge conditions and relationship with existing window can differ between different windows of the same type. Please refer to the Edge Conditions (2313-PD-3150) and the Window Schedule (2313-PD-5100).

- Dimensions may vary between windows of the same type. All windows will need to be individually measured by the contractor prior to fabrication of the secondary glazing.

Existing Window S-1
