Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

Replace curved doors, side lights and top lights to rear elevation of Chepstow House overlooking the river. Existing doors fitted in 2017 when Old Government House was redeveloped and renamed Chepstow House, Planning Application 14/05216/FUL . Existing doors open out onto balcony. The waterproofing to the balcony is substandard with no upstand to the opening for the door and window, consequentially water is ingressing under the doors into the property. The doors are also constructed from softwood and have started to rot. We propose to replace the doors and sidelights with a like for like design in painted hardwood .
