Beech: RETAIN & PROTECT	T4
Sycamore: RETAIN & PROTECT	T5
Privet: REMOVE	H2
Sycamore: FELL	T6
Sycamore: RETAIN	T7
Sycamore: RETAIN	T8
Sycamore: RETAIN	T9
Hawthorn: RETAIN	T10

- General Notes:**
1. This drawing to be read in conjunction with all other Architect drawings and specifications.
  2. This drawing MUST NOT be scaled.
  3. All dimensions to be checked and verified on-site.
  4. Any discrepancies must be brought to the attention of the Architect immediately.
  5. Refer to S/E drawings and specifications for structural information.
  6. All steelwork to be to S/E design and specification.
  7. All exposed and semi-exposed steelwork to be galvanised.
  8. Heating contractor to size all heating appliances.
  9. Heating contractor to ensure that boiler exceeds power demand for the whole premises by 10%.
  10. All glazing less than 800mm above FFL to be safety glass.

D	26/03/2024	Retained some of the existing walls and added false walls in the proposed kitchen area in response to feedback received from the site.
C	14/03/2024	The staff wc situated between the cleaners store and storage will be removed along with the door (GD 19) and window (GW 20) within that wc. The proposed lift and stairs for accessing the dining area have been omitted due to the raised finished floor level. Furthermore, there is a new proposed metal stud wall in the kitchen. The lobby wall facing the waiting area has been relocated inward to align with the bar wall.
B	29/02/2024	The alignment of the wall between the cold store lobby and the kitchen has been updated. Structural steelwork have also been updated.
A	05/02/2024	Parking towards the fence and tree T3, T4 and T5 will be retained as it currently is.
