Your proposal for carrying out the above mentioned development has been considered.

In this case the Borough Council has determined that prior approval is not required and development may, therefore, proceed from a planning point of view.

You are reminded that Building Regulation approval may be needed before any work is carried out. Advice on this matter may be obtained from the Building Control Section of this department by telephoning 0115 9013743.

The development must be carried out in accordance with the details as set out within the submitted application form, covering letter, block plan and site location plan, all received by the Local Planning Authority on 13th March 2024.

Furthermore, the development must be carried out within a period of 5 years from 13th March 2024, the date on which the Borough Council were given the information referred to in paragraph A.2 (2) (vi) (aa) of class A, Part 6, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015.
