

Dear Louise,

Thank-you for your email and for replying so quickly.

Do I need to submit any new forms for you, as we are asking for a discharge of conditions 3 & 4?

Please excuse my ignorance but I don't know what information has been submitted to you previously.

Please find attached information for the company and specifications for both the Welsh Red Quarry Tile and also the Sheera Multicoloured Natural Slate in PDF format. Is this enough information for you?

I have also included an alternative colour choice for the Natural Slate which is Natural Charcoal Grey Slate.

We would be happy with any of the above choices if they are agreeable to you (although the red quarry and charcoal grey are our preferred). I have also taken the liberty of contacting the companies and have requested if samples of the tiles can be sent directly to you. I hope this helps?

Kind regards,

*Simon and Jacki Price*
