Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Due to the structural limitations of the existing building, the installation of a Sedum roof is not feasible as it would result in significant dead loads being transmitted to the existing structure. Therefore, we kindly request a modification to Condition 6 to accommodate this constraint. For further details and justifications, please refer to the Variation of Condition 6 Statement provided.

if you wish the existing condition to be changed, please state now you wish the condition to be varied
