Dear Gareth	
Many Thanks for your email enquiry.	
I've looked into this for you and I'm afraid that there is a restriction in place that means no alterations may be made	e to your property without
planning permission.	
This includes solar panels on the roof.	
I'm sorry that this will not be the answer you were hoping for,	
If you need any further assistance, please don't hesitate to contact me again,	
Best wishes,	
Mirelle

It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
