

CDM Regulations 2015

- Denotes a significant hazard or difficult management procedure. Please refer to drawing notes for potential hazards. Main contractor to plan for mitigation measures in response to hazards.
- CDM Regulations require that all projects are to:
- Have workers to be competent and are suitably skilled for the work they carry out;
 - Contractors to provide appropriate supervision, instruction and information to all on site workers to provide a safe working environment;
 - Have a written construction phase plan.

Worcester architects are appointed as 'Designer' only, unless a written appointment has been completed for the formal appointment as 'Principal Designer'
