We have discussed this proposal and received feedback from Fiona Ballie, she also provided feedback on behalf of the roads department. She advised that as the change of use would not lead to a loss of residential accommodation, the changes would not unacceptably alter the character of the area and the Church's position on its own would not pose an impact on local amenity therefore it is likely the proposal would be considered favourably.

The feedback was positive and they agreed that this proposal was a more suitable development for the church than the previously proposed wedding venue. The change of use to holiday lets would produce a low demand for parking compared with the wedding venue.
