Dear Madam

Full Planning Permission for Alterations and Extension to Dwellinghouse (Amended Design to Planning Permission APP/2023/1713) at 10 Crovie Village, Gardenstown, Aberdeenshire, AB45 3JQ

I refer to your application for the above. Under the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 there is a legal requirement for the public display of the attached notice for a period of not less than 7 days. The notice must have been on public display for a minimum of 7 days prior to the expiry date for public comment, 13 May 2024

The notice should be displayed in a prominent position at or near the site, e.g where it is an alteration to an existing building, on a gate or a storm water downpipe, or, if the development has yet to commence, a fence post, tree or similar. This will enable the process of public notification to be fulfilled as required by the legislation.

The Planning Officer dealing with your application will check the public display of the notice on a subsequent site visit to ensure compliance with the legislation requirement.

Should you have any queries concerning the content of this letter please do not hesitate to contact the main planning number of 01467 534333.

Yours faithfully
