Hi Hugh,

Yeah, no we don't have the paper copy, if you bring it in tomorrow I can get it scanned in.

Kind regards

John

Good morning Hugh

We would like to reduce the height of the beech tree by 15/20 metres and the spread by 8/10 metres dependent on the branch structure which currently is easily visible as there are no leaves on the tree.

The photographs that I submitted with the application show the tree in full leaf.

Many thanks for your advice and help on this application.

Kind regards
Graham Allison
