Good Morning

Sorry about the GIRAMS fee, my mistake.

Please could you provide the same information as you did for the second application which Jo dealt with regarding the existing dwelling:

'You do not need to submit elevations of the existing dwelling but please submit photos, together with measurements of the ridge height and the height to the eaves.'

Kind Regards

Lesley

Good morning Lesley

Please see the revised drawing (elevation re-named). With regards GIRAMS, please note this is a replacement dwelling and does not apply

I hope this now allows you to validate this application
