Email sent [planning@rutland.gov.uk](mailto:planning@rutland.gov.uk) on 26/01/2024 for advice whether planning permission was required for the proposed works.

Email received 02/02/2024 informing that planning permission required.

Case discussion with Claire Hagger (Senior Occupational Therapist) and Eloise Brett on 16/02/2024. Eloise advised:

Eloise advised:

She has already sought advice from her senior before advising us it needs planning and Rutland CC planning feel planning is needed.

Eloise advised planning is particularly required as permitted development has been removed.

Eloise advised she sees no reason why planning department would decline permission.

Eloise advised we put the ramp in situ and then seek retrospective planning permission as this will prevent the need for architect drawings as we will be able to submit photos of measurements of it in situ.

We are OK to seek planning in this way on this occasion as no reason it should be rejected.

We will need photos of the 3 elevations both prior and after install for the application (instead of architect drawings)

With respect to the Authority, is the applicant and/or agent one of the following:

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
