1. Project and Site Details				
Project/Site Name	27 Devonshire Road London N9 8NG			
Site Address	27 Devonshire Road London N9 8NG			
LPA Reference				
Type of Development	Ground Floor Extension			
Total Site Area (m²)	341			
Total Proposed Impermable Area (m²)	0			
Is the site subject to flooding from rivers?	High Risk			
Is the site subject to surface water flood risk?	Low Risk			
Is the site within 8m of a watercourse or culvert?	Yes			
Site infiltration potential	Partial Infiltration			
2. Additional Inform	mation			
Have you submitted drawings of SuDS proposals?	yes			
2 Have you submitted a management plan for SuDS features?	yes			
3. Design Deta	ils			
No. of SuDS Features	1			
Total attenuation provided (m ³)	2.30			
Type of Feature	Area of SuDS feature (m ²)			
· ·	,			

of SuDS Features	1	Target Attenuation (m ³)	Minimum Attenution Needed (m ³)	Please provide reasoning if target attenuation is not provided
al attenuation provided (m³)	2.30		0.00	
Type of Feature	Area of SuDS feature (m ²)	Area Drained to SuDS feature (m ²)	Attenuation Volume of SuDS feature (m ³)	•
			2.3
