Dear Sir/Madam

NOTIFICATION UNDER THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012 – PART 3

REFERENCE NO: 24/00871/DDTPO
PROPOSAL: TPO.TVBC.354 - Dangerous Willow Tree - Fell
LOCATION: Fishlake Meadows, Land Adjacent To Belbins Valley, Belbins, Romsey

Further to your notification received on 12th April 2024, I am able to confirm that the tree is of a condition to fulfil the description of being dangerous for the purposes of Regulation 14 (1) (c) of the Town and Country Planning (Tree Preservation) (England) Regulations 2012. This exemption allows you to carry out such works as are urgently necessary to remove an immediate risk of serious harm without further notification to, or consent from, this authority.

I would be grateful if you could email planning@testvalley.gov.uk when you know the date of the proposed felling.

The legislation places a duty upon landowners to plant replacement trees for those removed under this exemption.

Yours faithfully

Simon Finch
Head of Planning and Building Service
