Hi Russell,

Busy week as usual. I have finalised the report recommending approval. No pre-commencement conditions, the nearest to it would be materials details including windows prior to work on external surfaces as requested by the Conservation Team.

Despite being ready, it won't be going out the door today due to time constraints. Please can we extend until next Thursday (my line manager is off next Tuesday and Wednesday and I would like to give him more than 1 working day notice).

Regards,

**Bradley Downes, Planner**
