Dear Sir/Madam,

We own and operate the commercial farming enterprise known as Lower Churchtown Farm, Tresmeer. Specifically we operate a livestock enterprise and have done so since 1988.

The barn, which is the subject of the Class Q application, was historically operated by [REDACTED]. When [REDACTED] ceased keeping livestock himself we rented the barn and a few fields expanding our existing agricultural activities. This included using this barn over the years from approx 2002 to 2023.

We can confirm that the barn has always been in agricultural use and specifically in March 2013 it was used as part of our agricultural activities for the housing, penning, drenching, injecting and loading sheep and cattle, as well as the stationing of machinery.

Yours faithfully,

[REDACTED]
