Change of use

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The land marked as red on the application has been used as garden since we moved into the property in 2006. This part of the garden features mature trees and shrubs and a raised fish pond which was built prior to us moving in. The estate agent details from the purchase of West View shows pictures of this area as garden (in red on the property map).

We have continued to maintain the grass lawn, trees, hedges and shrubs as part of our garden over the last 18 years. We have included various pictures taken over the years to demonstrate the use of this area as garden with family birthdays, children's toys and trampolines, building snowmen and carrying out general gardening tasks including grass mowing as evidence for our application. We continue to work on the garden, maintaining the lawn, blossoming trees and ornamental shrubs.

This application also includes two letters from neighbours stating that the land has been used as a garden over this period.

We have added google map images showing the garden in continual use since 1999 (prior to our purchase of West View).
