Months

0

Is the proposed development reasonably necessary for the purposes of agriculture?

Yes

No

If yes, please explain why

Provides much-needed storage for both hay and agricultural machinery as there are currently no other agricultural buildings on the holding. The barn will provide storage for baled hay, this will prevent the bales being spoiled by the weather when if they were to be stored outside, thus allowing it to be sold all year round. Secure storage for machinery will also prevent weather damage and improve security.

Is the proposed development designed for the purposes of agriculture?

- Yes  
 No

If yes, please explain why

The land is used for hay production and the building will enable the storage of that hay as well as secure storage for the machinery and grassland inputs (fertiliser and spray) used on the holding.

Does the proposed development involve any alteration to a dwelling?

- Yes  
 No

Is the proposed development more than 25 metres from a metalled part of a trunk or classified road?

- Yes  
 No

What is the height of the proposed development?

6.8

Metres

Is the proposed development within 3 kilometres of an aerodrome?

- Yes  
 No

Would the proposed development affect an ancient monument, archaeological site or listed building or would it be within a Site of Special Scientific Interest or a local nature reserve?

- Yes  
 No

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person
