## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

The proposal involves construction of a new public corridor through the currently disused Downside (South-Eastern) Booking Hall, to provide lift access on the south-east side of Surbiton Station, as well as widening existing side entrance to allow wheelchair access and replacement of the non-original door and the canopy above. This will improve step-free access to the station and its platforms.
