This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Due to resource pressures we are no longer able to provide you with bespoke advice on screening opinions. If there is a specific issue which you require our expert advice on before issuing the screening opinion then please contact us with details and we will endeavour to assist you.

We remain a statutory consultee for scoping opinions so please continue to submit these for our review and comment.

Regards,
