

Heritage Statement

Site Address	Meridian Cottage, High Street, Damerham, Hampshire, SP6 3EU
List Description	Grade II listed although the conservatory is on the rear of the building which was built around 1970's
Proposed works	Replace the existing degrade conservatory roof with a black shingle tiled roof at same pitch and height
Heritage	The proposed works is to remove the damaged and degraded 1970's (approximate age) roof and replace with an insulated to Building Regulations standard roof with black low pitch metal shingles on the roof. The works will not impact on the existing building in any way or cause any damage to the structure or façade.
