

"Provision of Household Recycling and Waste Service"

In accordance with Barnet Council "Provision of Household Recycling and Waste Service" dated April 2019, developers should provide storage space for the appropriate number and size of General Waste and Mixed Recycling Waste. In general, each property within the block must be allocated a minimum of 100 litres of general waste and mixed recycling provision plus 70 additional litres per bedroom beyond the first bedroom.

Refuse Provision Calculations

Plot Number	Beds	Persons	General Waste	Recycling
1	2	4	170	170
