Client Notice

WO 5518034: "THAPRIL 2024

Please thoroughly check the provided proof. It is your full responsibility to ensure that all content is correct in the final visual. Any changes or error correction after sign off and acceptance of final visual are billable and may affect the production schedule and costs.

A few pointers to aid in sign off (not limited to):

- · Text: accuracy and completeness of content, with latest changes in place, styling and colour
- Design and layout
- Dimensions
- · Photographs and page graphics (colour, cropping, positioning, accuracy, retouching).
- If vehicle livery; check correct model, year and spec has been used.

Please note that final print colours may differ slightly due to certain material finishes. Also please be aware that although every effort is made to show correct scaling in our visuals, these are not always exact and actual sizes should always be referred to.
