## Level Monitoring Difference Graphs

The following graphs display the progressive movement that each Level Monitoring Station recorded at each separate site visit date to give an overall look at how much the property is moving.

## Level Monitoring Displacement Map

The following image shows an isometric representation of the movement of the property, based on the Level Monitoring Stations that were installed.

FRONT

## Site Visit Notes

Datum is level station 1, it has an assumed value of 10,000m. No suitable remote datum available. If this is not suitable, please advise if a deep datum is required. Relative Survey.
