We would like to tender for the construction and provide you with 1 lump sum price to realise this project. We have a wealth of experience in managing complex construction projects of this kind and we are confident we can deliver and execute this project in a timely manner and on budget. Should you give a rough idea of your budget for the build, we will aim to align our tender sum accordingly.

Do let us know if you have any queries.

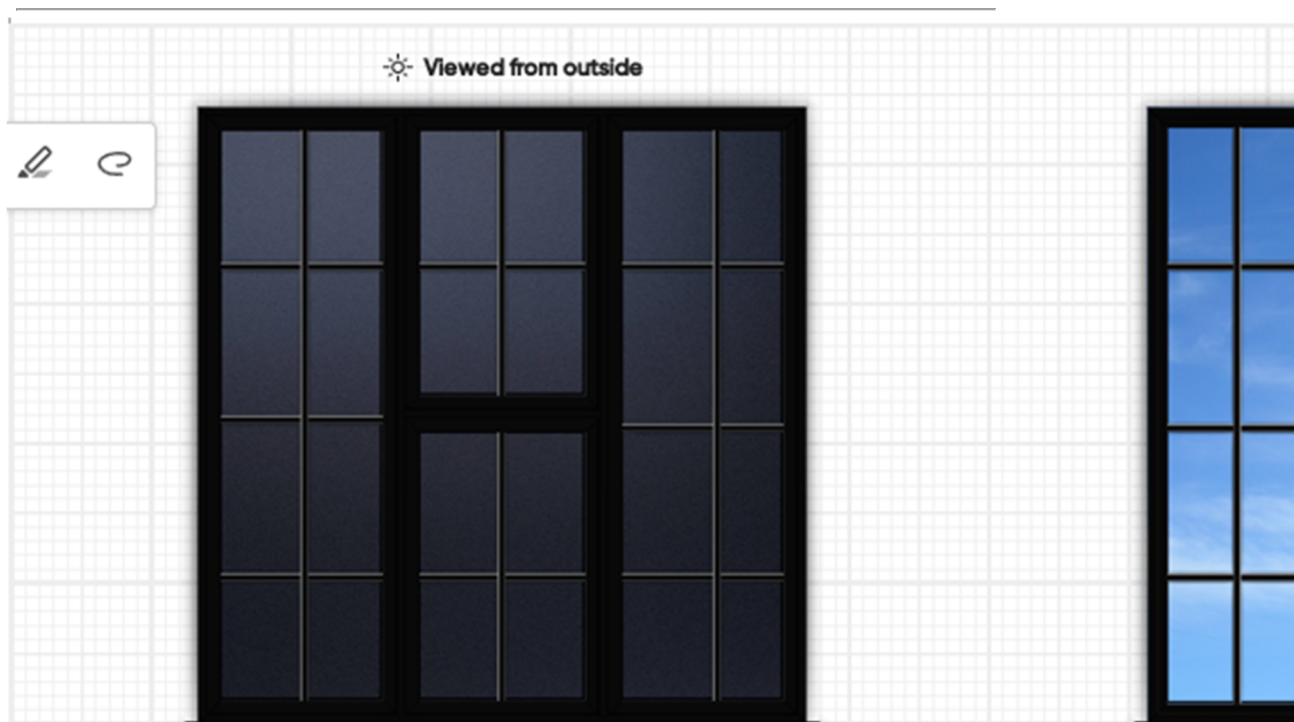

Kind regards

See below for an idea of the window/door dimensions and at the bottom for the design.

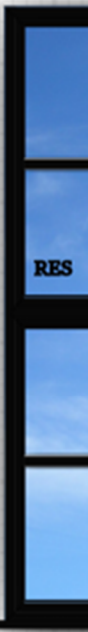

Many Thanks
