# **Eligibility**

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

### The current building and site

**Please note:** Eligibility questions relating to the current building being vacant for 3 months, and it's floorspace not exceeding 1,500 square metres were removed after these limitations were lifted by government on 5 March 2024.

Has the use of the building, for a continuous period of at least 2 years immediately prior to the date of this application, been any of the following:

- For periods prior to 1 September 2020
- Shops (Use Class A1);
- Financial and professional services (Use Class A2);
- Food and drink (Use Class A3)
- Business (Use Class B1);
- Medical or health services
- Non-residential institutions (Use Class D1(a));
- Crèche, day nursery or day centre
- Non-residential institutions (Use Class D1(b));
- Indoor and outdoor sports
- Assembly and leisure (Use Class D2(e)), other than an indoor swimming pool or skating rink;
- For periods from 1 September 2020
- Commercial, Business and Service (Use Class E)
- ✓ Yes
- $\bigcirc$  No

Is any land covered by, or within the curtilage of, the building:

## Description of Proposed Works, Impacts and Risks

#### Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Change of use of a class E commercial building into class C3 dwellinghouse

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

All habitable rooms have adequate natural light under the planning application Ref. No: 23/1792/FUL All alteration works will be carried out at the same time with the change of use works.

What will be the net increase in dwellinghouses?

0

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

#### Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

Has the change of use is a small works and the site is at the rear of The Broadway properties with established good service alleyway to the buildings and not on the high street, there will be no transport and highways impact regarding safe site access.

Please provide details of any contamination risks and how these will be mitigated

Not applicable

Please provide details of any flooding risks and how these will be mitigated.

The site in located in a floor zone 1 land and less than an acre of land. The site is not impacted by flooding. Flood risk assessment report provided.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

The site is located predominantly in an residential area and some local shops around. There is no noise impact on the intended occupiers of the new dwellinghouse.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

Not applicable

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such uses.

Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated

Not applicable
f the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated
No
List of flats and other premises in the existing building
Please provide a list of all addresses of any flats and any other premises within the existing building
House name: Baker House Number:
