NOTES:

The level of detail shown on this drawing is relative to the **PLANNING APPLICATION** only and this drawing should not be used for any other purpose without prior approval of the Architect and subsequent checking / development by others prior to construction.

Planning adherence - the Client / Contractor is to undertake the works in complete accordance with the LA approved planning drawings and is to take responsibility for the discharge of any associated planning conditions.

Building Control - the Client / Contractor must liaise directly with the chosen Building Control body to ensure the project is in complete accordance with the Building Regulations prior to construction.

Structure & Construction - these drawings have not been coordinated with a Structural Engineer nor an Energy Assessor and therefore show indicative construction build-ups only and are not to be used for construction purposes.

The future Contractor is responsible for visiting site and taking / checking all dimensions relative to setting out and construction.

All dimensions are in millimetres unless noted otherwise.
