Do not scale off this drawing or rely on it for purposes other than its Status. Constructors must be familiar with building asbestos registers ahead of facilitating any work. Read with all associated drawn & written specifications. If you believe a specification is insufficient for your purposes please contact HLP prior to continuing. You are responsible for checking that you possess the latest approved drawing revision. Allow enough time to properly design and plan construction work. If more than one contractor is involved, the client must appoint a Principal Designer and a Principal Contractor.
