Eligibility
Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.
Important - Please note that:
This application is specifically for a 'larger' single storey rear extension to a house, and the questions below are particular to determining the
eligibility of proposals for this extension type. • Other kinds of home extensions do not use this 'prior approval' process and should not be applied for using this type of application.
• There are additional permitted development conditions that apply to all home extensions which are not covered in the questions below, they can be reviewed in our common projects section. If your proposals do not meet these conditions, it is advisable not to continue with this
application.
