

## Sustainability Statement - minor applications

Sustainability standards	Yes	No
<b>A Net zero carbon</b>		
1. Has the building fabric been designed to standards of ultra-low energy demand?	X	
2. Has thermal comfort and the risk of overheating been assessed and passive design measures been prioritised?	X	
3. Is the development fossil fuel free?	N/A	
This is a change of exterior cladding so there is no change to energy system		
4. Will a net zero operational carbon balance be achieved and 100% of energy consumption delivered using renewables?	X	
5. Will embodied carbon emissions be minimised?	X	
We are changing from having a concrete render to renewable wood		
<b>B Travel</b>		
1. Is home working supported?	X	
2. Has active travel been prioritised?	N/A	
N/A - Change of exterior finish on existing building		
3. Is shared mobility facilitated?	X	
4. Will electric vehicle charging infrastructure be provided?	N/A	
N/A - Change of exterior finish on existing building		
<b>C Water</b>		

1. Will water consumption be minimised?	X	
2. Will water be conserved through rainwater harvesting or grey water recycling?	X	
3. Has the flood risk assessment accounted for climate change and is sustainable drainage proposed?		
N/A - Change of exterior finish on existing building		
<b>D Waste</b>		
1. Will the construction company be registered with the Considerate Construction Scheme?		
N/A - Change of exterior finish on existing building, home owner installed		
2. Will a Site Waste Management Plan be followed and targets set for construction waste recycling and disposal?	X	
3. Will there be safe and convenient access to waste recycling?		
N/A - Change of exterior finish on existing building		
<b>E Voluntary sustainability standards</b>		
1. Will non-domestic development be BREEAM certified?		
N/A		
2. Will the development receive a sustainability accreditation and/or follow recognised sustainability principles?		
N/A		
<b>F Only for development affecting heritage assets or traditional buildings</b>		
1. Have the heritage value of the building(s) and impact on any heritage asset been appropriately assessed?		
N/A		
2. Is a whole building approach being taken?		
N/A		
3. Will responsible retrofit measures be adhered to?		
N/A
