Details of the pre-application advice received

You have already been informed that the change of materials proposed would mean that the extension falls out of the remit of permitted development (as outlined in the Certificate of Lawfulness issued under application reference 23/01461/CLP), therefore this enquiry is to ascertain whether the newly proposed materials may be considered acceptable.

You are proposing that the exterior of the rear extension would be clad in wood rather than being rendered and finished with pebble-dash to match the existing property. I am pleased to inform you this design change in principle would be likely to be found acceptable by a Planning Officer, subject to further to provision of details and site visit. Therefore, please apply for planning permission for a change of exterior materials to the rear extension.

Further information concerning the planning application processes can be found here:

<https://www.westoxon.gov.uk/planning-and-building/planning-permission/make-a-planning-application/>

It is worth noting the validation requirements when compiling the supporting documentation for planning applications also, details of which can be found here: <https://www.westoxon.gov.uk/planning-andbuilding/planning-permission/make-a-planning-application/planning-application-supporting-information/> -

please ensure you provide complete and accurate supporting material in order to avoid delay in the consideration of your submission. West Oxfordshire District Council would encourage all applicants to consult with neighbouring properties prior to the submission of any application.

I trust this is of some assistance. If I can be of further help, please do not hesitate to contact me.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
