There are certain specific circumstances where reductions or exemptions to the application fee can be claimed.

The validity of any claim will be checked and confirmed by the Local Authority once the application is received by them. If deemed to be invalid, the correct fee will be due. This will cause delays to the processing of the application and could be considered fraudulent if not claimed in error.

Please select a reduction if one applies.

Is this application for a lawful development certificate (existing use) where an application for planning permission for the same development would be exempt from the need to pay a planning fee under any other planning fee regulation?
