Information relating to appeals against the decision of the Local Planning Authority.

If you are aggrieved by this decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Time periods to submit appeal

If the application relates to minor commercial development (as defined in Article 2 of the Town and Country Planning (Development Management Procedure) (England) Order 2015) this should be submitted with **12 weeks** of the date of this notice

If the decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, any appeal must be submitted within **28 days** of the date of this notice

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against the decision on your application, then you must do so within: **28 days** of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

In all other cases the appeal should be submitted within **six months** of the date of this notice.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK

The Secretary of State can allow a longer period for giving notice of appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that permission for the proposed development could not have been given by the Council or could not have been given without the conditions imposed having regard to the statutory requirements, to the provisions of the development order and to any directions given under a development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Appeals can be made online at <http://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or tel no. 0303 444 5000

Purchase Notices

If permission to develop land or carry out works is refused or granted subject to conditions, whether by the Council or by the Secretary of State for the Environment, the owners of the land may claim that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve on the Council a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of either Part VI of the Town and Country Planning Act 1990.
