Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

There is no change in use of the kitchen building in which the proposed new window will be located. The use as a kitchen has been unchanged since the original construction of the house in 2001.

The purpose of the new window is to improve the amount of natural light which is admitted into the building.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

A builders Quotation setting out the Site Work, Structural Materials and the intended Window accompanies this application.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The increased amount of daylight which will be admitted into the kitchen will improve the usability of the kitchen features.

There will be an associated reduction in the requirement for supplementary electrical lighting in the kitchen.

The development will be delivered by the installation of a window sympathetic to the style of the existing building.
