Report Suspicious

Hi Sarah.

Andrew this time.....tag team!

That's the one that needs registering - I think Tanya originally put it under the property manager rather than the property mgt company.

They can get odd about liability.....

I don't think we'd be looking to replant there Sarah - these are just crappy Ashes which have little amenity value and even less now they have dieback.

It's on a small strip of land at the back of the car park - just self setters.

If they insist on replanting then I'd suggest small Rowan - but hopefully they'll feel it's not really sensible.

All the best chum

Hi Tanya

Can you just confirm the attached application is the one you want registered?

If so, please could you provide your proposals for replacement trees or reason for not wanting to replant.

Thanks, Sarah

I thought this one had been resubmitted under the name 'Denfords' but I can't find it on the portal, I must have missed something.

Please can this one be processed.

Many thanks for your help

Hi Andrew

Thank you for your email. Hope you had a good weekend – it's a bit blustery out there today!

This one didn't get registered as we had an email from the Planning Portal to say this application has been retracted.

I have attached the email we received.

Do you want this application to go ahead?

Thanks, Sarah

Hi Sarah.

Happy Saturday.

Just running through a list of portal apps - this one's been portal'd but no Soton acknowledgement - has it been missed or is there a hang up with it?

All the very best - catch up soon and thanks as always.
