Vegetation Clearance

Removal of all tree & vegetation to side of property - Including Purple Plum x 3, Ash x 4, Sycamore x 2, Laburnum x 1, Eleaegnus, Wild Rose and Ivy
Removal of large stump

Team:

Equipment:

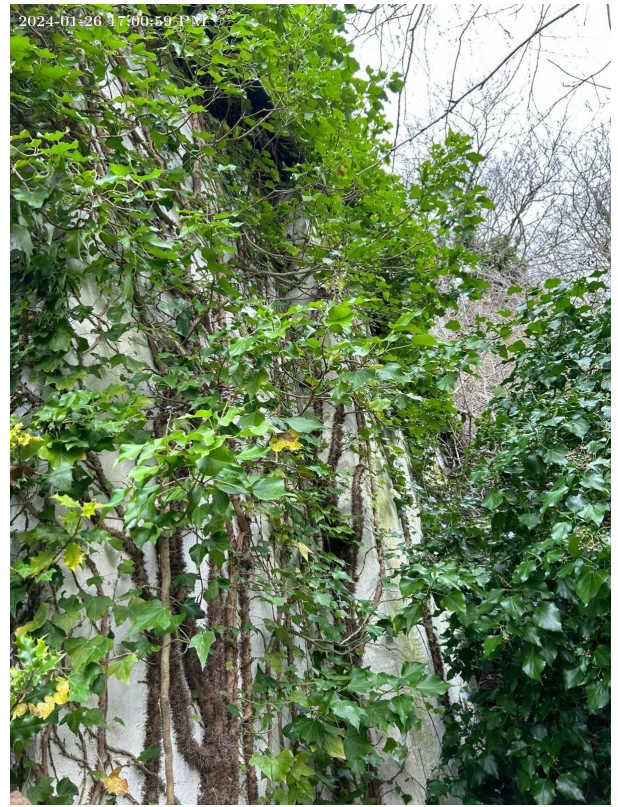

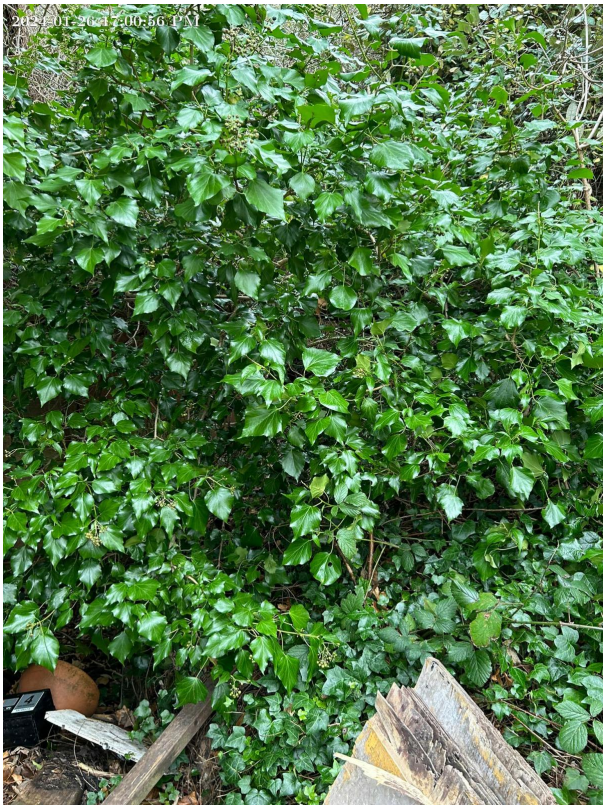

Ivy removal

Remove all ivy from house. Strip Ivy from (Species) tree to expose underlying bark in order to mitigate wind-sail effect and improve overall aesthetics of tree.

Well-built and new structures do not have a problem with any type of Ivy. While already crumbling bricks and mortar can be affected by the aerial roots of the Ivy; Graftingardeners offer no indemnity for damage to render / paint and brickwork resulting from Ivy removal, Ivy to be removed using hand tools, price does not include removal of aerial root remnants.
