

Cold Aston [11455132](tel:11455132)

ernoon

ou for contacting us

ways tree Inspector has advised the following

**discussed this with the Local Highways Manager of this area and we find
ns on these proposed works all we ask is that before the works are carri
y provide GCC Highways with their method statement, risk assessment
A copy of their insurance and a copy of the CDC notification if they agree
this conservation area.**
