prior to works proceeding.

Contractor to complete Construction Phase Plan and relevant FIO submission to HSE. Contractor to complete and maintain an up to date health and safety file during the construction phase of works.

All relevant party wall agreements to be put in place by client and checked by contractor prior to works proceeding on site. Contractor to ensure that all relevant government guidelines regarding health and safety are fully adhered to during any

construction works or meetings. All dimensions are to be checked on site and Studio Drake LTD to be notified of any discrepancies. Written dimensions are to be followed rather than scaled from drawings. This drawing is copyright and cannot be reproduced without prior written consent from Studio Drake LTD.
