Dear Sirs

Covering letter for a new planning application

Hopefully you will find enclosed the application form, 5 sheets of plans/drawings and several photos of the vicinity.

It may be useful to note that my neighbour, Mr Tom Campbell of 12 Antona Gardens was granted planning permission for an identical bay window reference NE/22/000849/FUL in July 2022.

Please let me have details of the amount and how to pay the necessary fees.

Many thanks

A E Houghton (Mrs)
