Dear Sir or Madam,

Thank you for your correspondence, dated 17th April 2024.

We can confirm that our planning application has been amended as requested:

1, We agree to and have amended the description for the application to read: 'Dormers to front and rear, air source heat pump to rear and alterations to windows including new window to east elevation. Alterations to roof, cladding at gable ends, porch to front and solar panels to front and side'.

2, A block plan at a scale of 1:500 is now included (new document uploaded).

3, Window specifications for all new installations and changes to existing have been provided (new document uploaded) and submitted elevations have been labelled accordingly (version 2 uploaded).

4, A new declaration has been made on the electronic application form and dated within 21 days of submission.

The application has been re-submitted with the changes made.

Thank you for your due consideration.

Kind regards,

Mr Rasheed Afinowi-Luitz

Mrs Maike Luitz
