Fee concessions

There are certain specific circumstances where reductions or exemptions to the application fee can be claimed.

The validity of any claim will be checked and confirmed by the Local Authority once the application is received by them. If deemed to be invalid, the correct fee will be due. This will cause delays to the processing of the application and could be considered fraudulent if not claimed in error.

Reductions

Please select a reduction if one applies.

- The application is being made on behalf of a parish or community council
- The application is an alternative proposal being submitted by the same applicant on the same day for the same site, and this application is the lesser cost
- The application is being made on behalf of a non-profit making sports club, society or other organisation for works for playing fields other than the the erection of a building

- Does your proposal relate to an alternate use of buildings or land within the same Use Class that requires planning permission only by the requirements of a condition imposed on a permission granted or deemed to be granted under Part 3 of the Town and Country Planning Act 1990 (as amended).
