Description of Proposed Works
Please describe the proposals to alter, extend or demolish the listed building(s)
We are undertaking refurbishment works to our Old School Building which is a listed building. We have been advised that we require consent for two elements of the work.
The first element is the reinstatement of a doorway. There is an existing archway which has been blocked up with brickwork. The plan will be to remove the brickwork and reinstate a door in place. A timber external door will be fitted and painted to match the existing door already in situ on the building.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
