Hi,

I'm writing to you to explain why I think it's a brilliant idea to install a skatepark in Wellingborough.

Not only would this benefit Wellingborough, but it would benefit lots of towns and villages surrounding it. It would also encourage teenagers to get outside and socialise. Get off their phones or whatever you adults say.

This would boost the mental health of all those that use skateparks and provide some free entertainment in today's economy.

I hope you make the right decision and invest in the young people of Wellingborough.
